Diplomas will be awarded upon completion of all university requirements.

The commencement program listing contains the names of students meeting eligibility criteria and submitted for publication as of April 14, 2023. Names that are printed in the commencement program should not be used as an indicator of degree completion. Students must satisfy all graduation requirements before officially graduating and receiving a diploma.

Symbols of Commencement

UNIVERSITY SEAL

The university seal represents Johnson & Wales University's roots. The year at the top of the shield, 1914, is the year that the university was founded by Gertrude I. Johnson and Mary T. Wales. The dragon of St. George on the upper portion of the crest honors the Wales family, while the lower portion of the crest bears the cross of St. John and honors the Johnson family.

MACE

The Johnson & Wales University mace symbolizes the ideals and values of JWU's educational philosophy. Cast of silver and bronze, it is engraved with the names of our chancellors, past and present. Our campus locations are engraved on the golden bands. On ceremonial occasions, university officials carry the mace to display the unity and continuity of Johnson & Wales University.

The mace dates to medieval times, when it was first used as a weapon. Forbidden to use swords, medieval European bishops were allowed to enter battle with a mace — typically an iron or steel club designed to split armor. By the 16th century, the mace had become a symbol of authority that colleges and universities began using ceremonially. That tradition continues today, and the mace is carried as part of formal academic occasions like these at colleges and universities across the globe.

ACADEMIC DRESS

The tradition of wearing distinctive dress for academic reasons dates back to the Middle Ages. Today, academic costumes are usually worn in the United States by people participating in academic ceremonies.

The faculty and platform party wear regalia representative of the degrees they possess.

The academic dress worn by graduates at today's ceremony are 100% certified recycled polyester fabric that can be recycled and made into future gown products, helping to divert from landfills. Following the ceremony, graduates can drop their gowns in the nearest Renew Gown collection box and keep their cap and tassel as mementos of their achievement. Each recycled gown saves 29 plastic bottles from landfills, reduces carbon dioxide emissions by 1.5 pounds, and saves half a gallon of gasoline.

HOODS

Originating from the cowls of monastic orders, the hoods are the most distinctive part of the academic regalia. Their shape and size indicate the level of degree attained, and the colors reflect both the academic field as well as the institution that granted the degree.

The fields of study most frequently represented in academic processions are as follows:

FIELD OF STUDY	COLOR
Arts	Gold
Business, Commerce, Fine Arts, Sciences	Drab
Education	Light Blue
Occupational Therapy	Slate Blue
Physician Assistant Studies	Green

CAPS

There is more variety in the shape and color of academic hats than in any other area. Master's and doctoral degree recipients wear the tassel on the left throughout the ceremony, and the doctoral soft-cap often features a gold tassel.
